Acrylic Window/Door Cleaning Instructions

You Will Need:

1. Clean Lint Free soft cloths (like we provide upon installation) or 100% cotton diapers
2. *Brillianize* Acrylic Cleaner

To Clean:

1. Working in small sections; spray small amount of *Brillianize* Acrylic Cleaner onto acrylic.
2. Wipe gently with clean lint free cloth until *Brillianize* totally absorbed.

DO NOT:

1. Use *Windex* or other ammonia based cleaners on acrylic. This will damage your acrylic.
2. Attempt to wipe windows without using *Brillianize*.
3. Use Dirty Lint Free cloths. This will scratch your acrylic.

If you have questions or need to order cleaning products please call
(714) 630-5447 or (888) 358-2309.
